Webinars

Our webinar platform gives you the freedom to join live or view on-demand.

In-Person

Optimize physical experiences with the innovative online tools you never knew you needed.

Hybrid

Where IRL meets URL - be the balance between in-person and virtual attendees.

Virtual

Expand your reach with a 6Connex venue and engage your audience, wherever they are.

Events from A to Z

The 6Connex all-in-one event platform features a broad menu of functionalities designed to support webinars, in-person, hybrid, and virtual events, allowing you to deliver events that not only enhance the physical experience, but extend beyond it.

From promotion to analytics, simplify event management by using a single tool to promote, register, run, and measure events. Drive attendee engagement, capture event attendee data, and uncover insights to target post-event activities and inform long-term event strategy.

One event platform. Multiple event moments.

Push the boundaries of your event experiences and make a lasting impression on your audience.
