From design to delivery and installation, we create beautiful, functional spaces

Whether you have new construction projects or are refreshing existing spaces on campus, American Education Supply is a partner who brings specialized knowledge and best practices to your campus. Blending award-winning design with experienced project management and professional installation services, we create spaces to help you enhance your students' experience and meet your budget goals.

**Dedicated to supporting every aspect of your project,
our expert team provides these step-by-step services:**

Design

- On-site design & color consultation
- Space planning & product selection; budgeting & value engineering
- Custom furniture design; 3D renderings & visual presentations
- Design specification, submittals; brand standards
- Blinds, draperies, lighting & artwork consultation
- Review of carpet & flooring options

Project Management

- Construction administration
- Product procurement & punch listing
- Reporting & expediting
- Freight management
- Warehousing

Installation Services

- On-site delivery assistance
- Product unloading
- Packaging removal & disposal; recycling
- Damage inspection & item placement
- All required assembly & proper function testing
- Installation debris removal & disposal

Contact us today to learn more about how we can transform your campus.

Upholstered Furniture

Truly renewable furniture specifically designed with students in mind

Save time & money

No need to replace an entire piece – components can be ordered, then replaced in minutes with no special tools or training, extending the product's life cycle 5 to 7 times.

KNOX COLLECTION

Choose Brill University Specifications – specially manufactured for campus environments

- Barrier board helps reduce holes and fabric buckling that can occur when pieces are moved and perhaps pushed with feet or knees
- Higher density foam stands up to heavier use
- Restraining straps keep the cushions in place so they cannot be removed
- Sturdier leg construction than standard with-stands tougher use, allows for leaning on chair backs and excessive moving
- Enhanced seam structure removes a typical point of weakness adding to overall durability of the product

BENCH/CAFETERIA TABLE FEATURES:

- Convertible bench/table can be used as a single-sided table, a comfortable bench, or a full-size cafeteria table
- 25" H table offers a lower height that's perfect for early childhood settings
- Smaller leg footprint allows for clear walkway access
- Center legs on 72" and 96" models provide additional load-bearing capacity
- 96" models feature 10 points of floor contact, including 4 legs under the bench
