

MICROSOFT HAS COME TO YOUR CAMPUS

As a member of the Microsoft Global Training Partner program, Connection can help you leverage new technology and apps through learning consultants that have undergone official certification to deliver training on Microsoft's behalf.

"We worked with Connection to offer multiple remote training sessions for our educators that were targeted towards best practices in Microsoft 365. Connection's Professional Development Specialists are former educators, who understand how technology is best applied within schools."

Victor Woodroffe
Director of Information Technology
Minuteman Regional Vocational
Technical School District

K12 OPPORTUNITIES

- Faculty Communication and Collaboration
- District Leadership Communication and Collaboration
- Stakeholder Engagement
- Enhancing Teaching and Improving Learning Outcomes
- Special Education and Special Population Accessibility

HI ED OPPORTUNITIES

- Microsoft Teams makes it easier for staff to connect with major donors, alumni, faculty, and students.
- Microsoft Teams helps admissions staff streamline the process by keeping all important data, conversations, and meetings in one place.
- Microsoft Teams allows student affairs staff to more easily connect with student leaders and representatives across campus and to collaborate with each other.
- From sharing notes to forming study groups, Microsoft Teams enables collaboration that helps improve learning outcomes.

YOUR TRAINERS

Cindy Daniels, MSA
Professional Development Specialist
Masters of School Administration
UNC Chapel Hill

Cindy Daniels has developed short-and long-term professional development plans through collaboration with schools and districts across the nation. Cindy has 23 years of experience in curriculum and instruction, school leadership and strategic planning in both large and small districts. She holds a BA in Elementary Education from Emmanuel College and a Masters of School Administration from UNC Chapel Hill. She served as an elementary school teacher, assistant principal and principal in North Carolina. Cindy is a Microsoft Certified Educator; she is also MIE Certified (Microsoft Innovative Educator) and is a certified MIE Master Trainer.
