

People Engagement | Training & Development | Board Search | Org Consulting

Company Overview

ATS+Partners (ATS), a certified Minority & Women-Owned Business Enterprise (M/WBE), provides human capital management solution services to people-centric companies. As a firm with deep organizational development consulting experience, ATS has experience working with organizations seeking to reimagine their workforce to achieve future organizational goals. Our core belief is that people are the focal point of an organization’s mission and this commitment guides every phase of our work.

ATS has the skills and capacity to manage the tasks and responsibilities outlined in the scope of work. The ATS Approach is simple but robust: to deliver a customized solution driven by organizational analysis, customized design, and targeted service delivery.

ATS’ Values & Differentiators

People are the focal point of our mission, and we are committed to empowering high-growth people-centric organizations to achieve their growth goals by delivering key results through:

- Performance
- Organizational Growth
- Innovation
- Sustainability
- Excellence

Highlight of Projects

- Managed executive search projects resulting in 10 hires for a \$300MM impact investment fund.
- Designed and facilitated a 100-person visioning session to develop a three-year community strategic plan.
- Designed and delivered a diversity training workshop series to a State-wide government authority.
- Managed the design and implementation of a U.S.-based STEAM-focused career & technical school and developed an industry advisory board (with partners: Microsoft, Infor, WeWork, etc.).
- Designed customized training and 1-on-1 coaching programs based on assessments, interviews, and independent data for approximately 40 senior arts and cultural senior leaders.
- Designed and executed human capital strategy including training for over 200 inexperienced call center reps for a large City government call center.
- Delivered laser and group coaching sessions to low-income career professionals and women entrepreneurs for a government capacity-building program.
