PROPERTY RESTORATION

WE'VE GOT YOU COVERED

We know you've got your procedures in place. We will consult with you to develop an end-to-end claims process that helps mitigate loss, lessen deferred maintenance, by proactively developing your response plan together.

MITIGATION

- ✔ We'll work together to build a preparedness plan that helps to mitigate losses when they occur.
- ✔ Proactively we develop an action plan with you, so when a loss happens we're prepared to act together.

PROTOCOL DEVELOPMENT

- ✔ We'll develop protocols that improve our collective response to any loss-related events.
- ✔ Identifying fine art, male/female dorm procedure, points of contact per building.

BILLING

- ✔ We'll work with your insurance teams to make the billing process smooth and efficient.
- ✔ Be the middle person between procurement and maintenance.

WE MINIMIZE DISTURBANCES

- ✔ When an event happens, our teams work to isolate the incident and allow day-to-day operations to continue while maintaining normalcy.

WORK WITH YOUR VENDORS

- ✔ We respect the relationships you have established and we work with your vendors to keep those relationships intact.

SECURITY

- ✔ The safety of students and faculty is priority # 1.
- ✔ Daily field reports can be given to as requested. You will know exactly where we stand with a project at all times.
