# Diversity & Philanthropy

Empowering families, especially in underprivileged minority communities through research and the tailored education we publish.

Diversity is all around us and in everything we do. It's what makes each and every one of us unique. And the truth is, we are all better because of it.

# HPC'S COMMITMENT TO LITERACY

1 out of 6 children who do not read at age level by the end of third grade are at risk of not graduating from high school. To help make sure that kids in need have readily available reading materials, HPC regularly donates books to organizations that support children and families in addition to supporting other types of charitable work.
