

FRAMING SUCCESS DIPLOMA FRAMES

OUR HAND-CRAFTED FRAMES HELP STUDENTS DISPLAY AND PROTECT WHAT THEY WORKED SO HARD TO EARN.

As a division of Herff Jones, Framing Success is the innovator of the custom-embossed frame and has been serving colleges, universities, professional organizations and government agencies for over three decades. Handcrafted in the USA, these frames let students display their degree, and their achievement for all the world to see.

From retail displays to ship-to-home options, our dynamic frame program not only gives you additional revenue opportunities, but creates a lifelong connection between your school and your graduate.

MOULDINGS

Wood Fillets for a sophisticated style. Available on our "BEST" tier frames.

MAT COLORS

Our Conservation-Quality Preservation matboard protects your valuable document from the damaging effects of pollutants and contaminants.

This sample shows the damage that occurs when using inferior matting. Yellowing and fading is caused by exposure to nitrogen dioxide gas, the most common air pollutant.

ENHANCEMENTS

Gold, Silver or Black Embossing Foils
