

HIGHER EDUCATION

INDUSTRY PROFILE

You're a vital part in the education system & we know you have a lot to consider. A Batteries Plus Business account, along with a dedicated account rep, can help. Over 9,100 schools - including University of Missouri, Texas A&M and Hampden Sydney - trust us to light their facilities, keep data systems powered and backed up, keep common spaces clean, laptops charged, and screens in good repair. While you concentrate on the care and well-being of students, faculty and staff, let us help make sure your vehicles, buildings and technology are ready to go.

Bringing power to higher education.

APPLICATIONS

SLA Batteries

Choose between general purpose, deep cycle, gel and high-rate UPS batteries.

Alkaline Batteries

Power devices with strong, high-quality alkaline and lithium batteries.

Lighting

Choose lighting based on the size and usage of your space.
