Dedicated business **operations team** to source any OTC need

Lower costs and **outstanding value**

Same-day or **next-day delivery** for most orders

Smoking Cessation

Help clear the air of student smoking habits.

As traditional tobacco smoking, vaping and e-cigarette use among young people continue to grow, so does the challenge of maintaining a smoke-free campus. From lozenges and patches to support materials, we stand behind your mission to address smoking cessation with your student body and promote a healthier lifestyle.

Smoking Cessation

Sexual Health

Offer easy access to sexual health essentials.

It's important that students are aware of their options when it comes to having safe sex. We provide all types of products, including multiple methods of birth control, making it simple and convenient for students to find what they need – right on campus.

Nutritional Health

Help students keep up with daily nutrition.

It can be difficult to maintain a healthy lifestyle in college, but it's important for students to meet daily nutrient requirements to support physical and mental health. Medline makes it easy to access a wide assortment of daily vitamins and nutritional supplements, especially for faculty and students with diabetes.

Stop the Bleed® Kits

Equip your campus with tools to stop severe bleeding.

Stop the Bleed is a national awareness campaign and call-to-action intended to encourage bystanders to become trained, equipped and empowered to help in a bleeding emergency. Make sure your facility is prepared with the right tools and training to act when every second counts. Our Stop the Bleed Kits are available in individual, multiperson and custom sizes. Each kit contains essential and easy-to-use, life-saving products, including tourniquets and Celox™, an officially licensed hemostatic dressing. Celox is FDA approved and quickly stops bleeding for individuals taking blood-thinning medications, and those who have bleeding disorders, such as hemophilia.

Stop the Bleed Kit Sizes*

Item No.	Description	Pkg.
OTCSBKCC	Individual Kit includes: 1 Celox Hemostatic Gauze Roll, 1 CAT Tourniquet, 1 Pressure Dressing, 1 Permanent Marker, 1 Trauma Shear, 1 Pair Gloves, 1 Instruction Card (all in a high-grade resealable bag)	1/ea (1 item total)
OTCSBKCT5	5-Pack Carry Bag Option: 5-count Individual Stop The Bleed Kits, 1 Carry Bag (also available as complete wall-mount unit)	1/ea (6 items total)

Flu Vaccine Program

Take action to prevent the flu.

With up to 35 million people getting flu-related illnesses every year,* your students and staff are susceptible to spreading the flu across campus. The single best way to prevent the flu is to get vaccinated every year.** Partner with Medline as your one source for all your flu-prevention needs.

Vaccines from manufacturers you **know and trust**

Multi-dose vials and **pre-filled syringes** available

Flexible returns on pre-book orders

Easy ordering and custom shipping options

Complimentary literature on flu vaccine awareness

Pharmaceutical Distribution

Full spectrum of pharmaceutical care.

Thanks to long-term partnerships with trusted manufacturers, we're able to quickly and easily distribute the pharmaceuticals your facility requires. You'll find injectables, specialty drugs and vaccines, as well as a complete over-the-counter product offering focused across all patient needs. By leveraging top-tier GPO pricing, we offer wholesale value on branded and generic medications.

Quality products for all patient needs

Wholesale value on branded and generic medications

Fast and efficient **distribution network**

Drug Supply Chain **Security Act-compliant**
