

Optimize your Imaging System and Protect your Investment with a Service Agreement from Nikon

Benefits include:

- Exceptional service and support by certified Nikon Biosystem Service Specialists
- Consultation with authorized Nikon technical experts
- NIS-Elements software updates
- Repair parts, labor and travel expenses included to reduce costs
- Pre-approved repair and service authorization – means no waiting for a purchase order to have your system repaired
- One PM service visit with eligible Service Agreement Selection

Multi-year and multi-system packages:

- Cost-effective pricing options to meet your budget
- Single or multi-year options available
- Substantial savings over list price
