

# ● Supplier Sourcing

Easily find new, diverse suppliers with our advanced supplier sourcing tool.

When you're ready to expand your program, our Supplier Sourcing app makes finding the exact supplier you need quick and easy. Our database contains over 5 million suppliers that can be filtered to your specific requirements.

## Simplify Your Sourcing.

A robust database means that searching for suppliers has never been easier. Learn everything you need to know about a supplier at a glance. With advanced search, you can find your new favorite supplier, down to certification specifications, with just a few clicks.

### Robust, Extensive Database

Our database contains over 5 million suppliers, and more are added daily. See all supplier information in one easy-to-read profile.

### Find Exactly What You Need

Our advanced filtering lets you narrow your search based on certification, location, minority classification, business size, and more.

### Share Your Favorites

Follow suppliers, save their information, and add them to lists you can share with your entire team.

SupplierGateway has been supporting the world's leading supplier diversity initiatives since 1997. With over 5.5 million suppliers in our database, 2500+ supplier portals launched, and over \$ 437 billion in client spend analyzed, we understand how important accurate data is to your program.

## Understand Supplier Sourcing

### Detailed Search and Filtering Options

Search for suppliers as broadly or as specifically as you need. Filter based on location, certification, minority classification, and more.

### Always Current Information

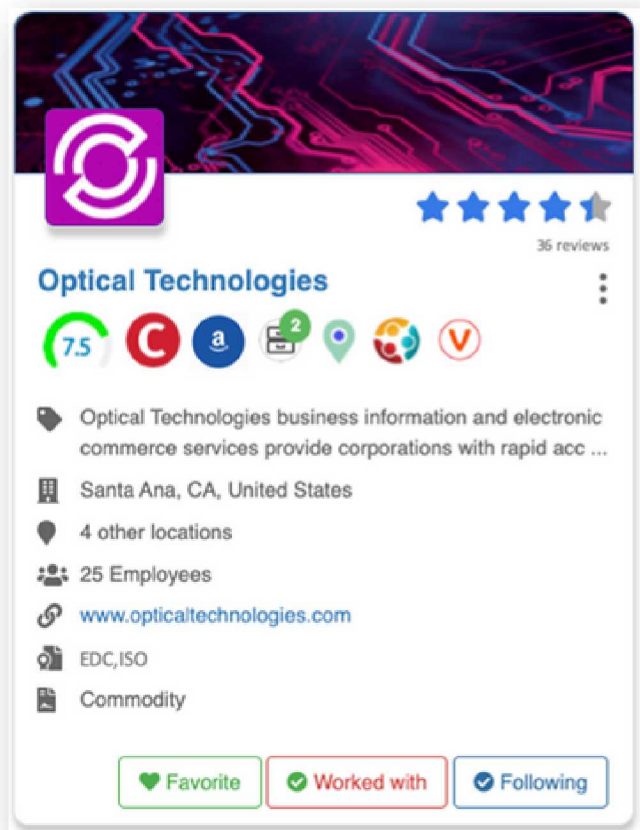

Our information is regularly supplemented with data from over 400 databases and monitored for accuracy.

### Certification Lapse Alerts

Always know when a supplier's diversity certificates expire, and which suppliers don't renew.

### At-a-Glance Supplier Profile

See certifications, location, employee information up front. Follow and favorite to keep up-to-date with potential suppliers.
