supplier io

# Powering the most successful supplier diversity programs.

Organizations are committed to improving supplier diversity, but finding credible diverse suppliers and making supplier diversity a standard business practice can be challenging. Supplier.io powers the most successful supplier diversity programs with industry-leading data, easy-to-use software, and an experienced team with decades of experience. We make implementing and scaling a program simple and streamlined.
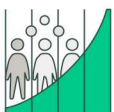

KEY BENEFITS

Know where you really stand

Enrich your current data and analyze your spend with the most comprehensive and accurate diverse supplier data available. Benchmark against your peers to chart a clear path to growth.

Grow diversity spend in a click

Analyze the market of diverse suppliers for the biggest growth opportunities. Give your entire team access to an extensive and easy-to-use database of certified diverse suppliers.

Expand your reach

Share the real impact of your program on the communities you serve and extend that impact down your supply chain.

"Through tools like Supplier.io, we're creating a persistent, always-on, on-demand supplier diversity program. It doesn't require a person but provides tools that enable people to find the resources they need."

Jason Trimiew
Director Global Supplier Diversity
