Find credible diverse suppliers in a click.

Expand your program with confidence. With Supplier Explorer, you can search our comprehensive database of over 2M diverse suppliers, filter and find a diverse supplier that meets your specific criteria, and trust the results with detailed information and trackable certifications.

KEY BENEFITS

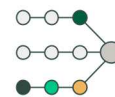

Simplify the search for diverse suppliers

With 2M+ diverse suppliers and the most accurate and up-to-date data, you can learn everything you need to know about potential suppliers all in one place.

Find exactly what you need

With our powerful filtering tools, it's easier than ever to find the right diverse supplier every time. Narrow your search by location, company size, revenue, and even experience level.

Collaborate across your organization

Share new and existing supplier data across your organization in one centralized location. With our unlimited access, your entire organization can be empowered to find diverse suppliers.

“By segmenting what suppliers offer and using keywords to search for underrepresented companies for potential partnerships, we can find something for every project. The visibility that Supplier.io has into suppliers is invaluable to the decision-making process.”

use Supplier.io

Supplier.io powers the most successful supplier diversity programs with the most comprehensive, detailed, and accurate diverse supplier database. We have over 2M diverse suppliers holding over 4M certifications from over 400 trusted sources, all reviewed for accuracy. Our Supplier Explorer product helps you:

KEY FEATURES

Extensive search and filter

Search for the most specific items you need and then filter the results based on vendor experience, location, size, diversity category and so much more.

Regular alerts for certification lapses

Ongoing alerts tell you which suppliers will expire in the upcoming month and lets you know when suppliers do not renew their certifications.

Market Analyzer to spot growth opportunities

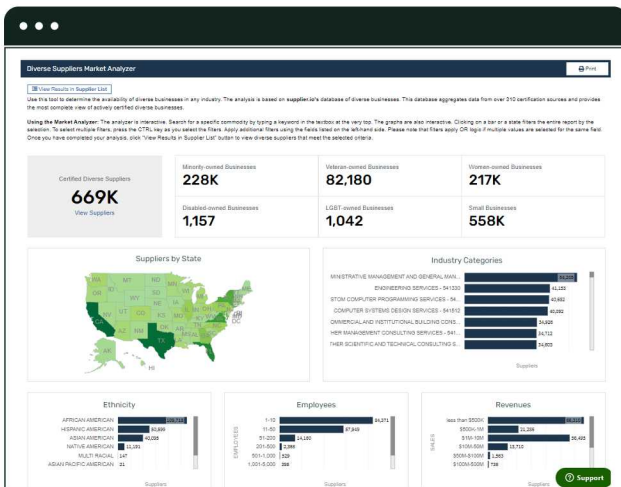

Market Analyzer tells you how many diverse suppliers are in your industry, so you can see which spend categories have the potential for significant and meaningful diversity spend growth.

Vendor visibility and tracking

Simplify adding diverse suppliers to all buying opportunities, discover projects without diverse supplier consideration, and improve collaboration between sourcing and supplier diversity teams.

TrustIQ to find trusted suppliers

TrustIQ enables you to find the best diverse supplier for your organizations by evaluating their previous experience working with corporate customers.
