Our Services

RCM specializes in providing outstanding teletherapy to many of the nation's top 100 school districts.

Free Consultation

We will identify and customize the program to meet the needs of your students and staff.

Cost Effective

Affordable service delivery options. Teletherapy also eliminates travel fees.

Licensed Providers

Our providers are licensed in the state they live in and the state they provide services in.

Benefits of Teletherapy

-  **Close the Specialist gap**
We will match the right provider to your students to ensure the students are successful.
-  **Manage and reduce caseloads**
Teletherapy improves the delivery of services, data collection, and progress monitoring of students.
-  **Access to high-quality Providers**
RCM does all the recruitment, hiring, and training of staff.
-  **Convenient IEP and Evaluation Conferences**
Parents and staff can easily join IEP and Evaluation conferences.

TELETHERAPY SERVICES

Teletherapy: School Services

- Our therapists provide the same services online as they do in person.
- Provide Direct and Indirect Therapy, evaluate students, consult with parents and staff, and develop IEP's.
- Collect data and focus on measurable outcomes to ensure students are meeting their IEP goals.
- RCM's supervisors oversee all our clinicians to ensure students are receiving the highest quality of services.

How Our Services Work

- HIPPA compliant video conferencing
- Therapy log documentation
- Easy scheduling for your students
- Therapy material bank for student learning
- Annotation feature
- Therapy games
- Access to video library for student learning
