Why Choose HireRight for Your Transportation Employment Screening Services?

The Leader in Transportation Background Screening

HireRight is a leading provider of innovative background checks managed online, including drug and health screenings, and electronic Form I-9 and E-Verify solutions. With more than 30 years of industry experience, serving more than 12,000 transportation organizations, HireRight provides screening solutions to help clients manage their compliance requirements and minimize the risks of potential litigation, fraud, theft, and workplace violence.

Delivering Verifiable Results

✔ **DOT Compliant Products:**
Transportation companies vary in size and needs, so HireRight offers a variety of solutions—from simple self-service packages that get you up and running quickly to highly scalable solutions for even the largest organization.

✔ **Cost Savings:**
We can help you assess the right screening products for the various stages of your hiring process, saving you time and money while helping you manage your compliance at every step.

✔ **Fast Turnaround Times:**
HireRight understands the need to hire quickly and efficiently. Our express products (MVRs, Employment History File, CDLIS+ and PSP) deliver instant results to help you determine if your candidates meet your hiring criteria.

✔ **Direct MVR Access:**
HireRight is one of only five national vendors with direct connections to all 50 states plus Washington D.C. We do not use a third-party provider, which helps avoid processing delays.

✔ **Ongoing Monitoring of Driver Motor Vehicle Records (MVR):**
Receive timely alerts on drivers with recent MVR activity. HireRight's optional Driver Monitoring service, powered by SambaSafety, checks for new violations, DUI/DWI convictions, invalid licenses, and approaching license or medical certification expirations where available.

✔ **Simplified Ordering Process:**
With one single order, HireRight will automatically provide motor vehicle records and/or pre-employment screening program (PSP) reports for you based on state licensing information returned by the Commercial Driver's License Information System (CDLIS).

✔ **Configuration Flexibility:**
For organizations that operate across multiple states, HireRight can implement customized account settings to provide local users with the functionality they need while still retaining control and visibility of your program at the corporate level.

Why Choose HireRight for your Transportation Employment Screening Services?

✔ **Industry's Largest Number of ATS Integrations:**
HireRight's signature platform is integrated with leading applicant tracking system (ATS) technology enabling you to hire faster, better and easier.

✔ **Exceptional Candidate Experience:**
Driver Center allows candidates to manage their background check requests from any mobile device – candidates can electronically sign required forms, upload documents and check on the status of their reports in one convenient place.

✔ **Drug & Health Screening:**
HireRight's provider network encompasses more than 22,000 national collection sites. All drug and health tests can be fully integrated with your background screening services through a single interface, saving time and costs. Electronic custody and control form (eCOC) services are available for DOT customers, as well as electronic scheduling for drug testing, DOT physical exams, breath alcohol testing and other health and wellness services.

✔ **Consolidated Billing:**
Drug testing and background screening results can be consolidated into one easy to read report. Consolidation provides a reduction in paperwork and actions required by your accounting team.

✔ **In-house Transportation Industry Expertise:**
Our customer service team, product managers and support staff have extensive expertise with the various industry regulations and the products available to help support your screening program.

✔ **Advanced Analytics:**
HireRight's groundbreaking data visualization platform provides a self-service dashboard to view and analyze key performance indicators (KPIs), such as: background check volume, turnaround time, criminal hit rates, and much more!

✔ **Effortless Implementation:**
Clients often assume that such sophisticated solutions require a lengthy implementation process. HireRight can analyze your needs, train your staff, and have you ready in less time than you'd think – with minimal to no impact to your IT team.
