

# A & R Clinical Services and Crisis Management

**ARCSCM** Primary Focus Is To Aid, Counsel, And Protect Those Clients That Struggle With Not Only Development / Intellectual Disabilities But Those Who May Suffer From Some Form Of Behavioral Mental Health Issue.

# About Us

**A&R Clinical Services and Crisis Management, LLC, D.B.A (ARCSCM)** is a clinical provider for Behavioral Health, Mental Health, Crisis Intervention and Suicide Prevention. While we strive to embark on a path with the community to ensure acceptance, respect, compassion, and sincerity. We also promise to be committed to the wellness of individuals and their families by providing prevention treatment, intervention treatment and behavioral/mental health stability education.

By working hand in hand with our contracted Non-Profit subsidiary A&R Behavioral Health, our primary mission is to provide a non-judgmental open environment, with a deep and unique understand of struggle an attentive listening ear that can help our clients to be motivated to positive changes which will inspire them to find and live life within their purpose.

We strive to embark on a path with the community to ensure acceptance, respect, compassion, and sincerity. We also promise to be committed to the wellness of individuals and their families by providing prevention treatment, intervention treatment and behavioral/mental health stability education. Our intentions are to be innovative in all the services we provide, and in the way we provide them. We continuously seek to improve the quality, quantity and timeliness in the services we provide and to always provide timely and responsive customer service.
