

Study Abroad

Collegiate Travel Planners (CTP) is part of the global CTM Group of travel businesses. When you book with us, the institution will enjoy the benefits of our \$9B global buying power and innovative technology solutions. Our team can support and manage every single element of your program, working closely with your faculty to provide exceptional service, cost savings, and traveler management.

When it comes to organizing study abroad programs, our number one priority is delivering an effortless experience for all of your students. CTP's Study Abroad Group Travel team provides your university with 24/7 locally managed global travel support. The team also assists in the following:

- Provide activities and excursions
- Accommodations and meals
- Transportation
- Pre-departure services and support
- 24/7 Traveler Support
- Duty of Care

Study Abroad

CTP's approach to partnering with the University for custom programs ensures we've aligned the expectations for the faculty, University, and program. Our collaborative philosophy is based on our understanding of collegiate travel's diverse and demanding requirements, quality service, financial stability, customer excellence, and superior technology. We firmly believe successful travel programs begin with a team approach, listening to our clients, and utilizing the formidable resources of our agency to achieve success. Indeed, at CTP, our goal is to "exceed our customer's expectations" through every action we take.

We can be as diversified as we need to be to ensure your study abroad programs are trouble-free and cost-efficient. CTP's Study Abroad Group Travel team provides your university with 24/7 locally managed global travel support. Some of the services we offer include:

- Travel program design and management
- Site recommendation/cost comparisons
- Group Air, hotel, and ground transportation negotiation
- Personalized itineraries and travel documents for all participants
- Housing Management
- Emergency response plans
