6. If site work is required: RS MEANS will be used if Alternative Method of Costing is not acceptable for the base construction. RS MEANS is self contained and consists of a turn-key solution that includes a complete line-item listing of all the products, supplies, material, equipment, services, accessories and options with their description, specification, terms, conditions and associated pricing for each item, sub-assemblies and/or assemblies. FieldTurf reserves the right to offer a discount or "adjustment down" to the RS MEANS calculation to account for volume discounts or to stay within standard market pricing.						
7. FieldTurf maintains the right to add Administrative and or Construction Management fees to projects that include site work.						
8. Pricing and warranty applies to turf fields that are outdoors and 40,000sf or more. For projects that are indoors and less than 40,000 sf, owner, E&I and FieldTurf can discuss a possible adjustment to pricing that all agree upon if necessary. EasyTurf sq. foot pricing applies for a minimum purchase of 4000 sf. For projects that do not meet the minimum requirement, owner, E&I and FieldTurf can discuss a possible adjustment to pricing that all agree upon. Pricing is for track projects over 3500 sy and applies to only standard black or red colors. Custom color track surfacing is available at an increased price per square yard.						
9. New Construction – Sq. foot/yard pricing is for supply and installation of sports surfacing only. FieldTurf is prepared to offer turn key solutions for the construction of running tracks, courts, and fields through use of RS Means. The best value pricing for base or civil work is obtained through these costing methods.						
10. Site work or new construction may include but is not limited to: removal and disposal of existing sports surface, lighting, demolition, excavation, rock base aggregate, top rock, asphalt, concrete, sidewalks, turf shock absorption underlayment such as e-layer or padding, tie in to existing drainage, drainage systems, conduits, fencing, crack repair, asphalt repair, etc. which can be purchased through RS MEANS.						
11. FieldTurf works with several subcontractors who supply and install Fieldturf/Beynon products or services related to sports construction and they promote the FieldTurf cooperative purchasing program: SmartBuy.
