

# GRADUATION ANNOUNCEMENTS & ACCESSORIES

FROM TRADITIONAL ANNOUNCEMENTS TO SMARTPHONE VIDEOS, WE LET STUDENTS AND PARENTS SHARE THE GREAT NEWS HOWEVER THEY WISH.

## PERSONALIZED ANNOUNCEMENTS

Herff Jones offers a wide variety of custom announcements to celebrate graduates' achievements, including personalized announcements, envelope seals and thank you cards. We're also the first to offer the ability for your students to add video to their printed correspondence with HJ SmartShare™. Using QR Code technology, you can combine tradition and technology by sending personalized videos to your friends and family.

QR codes bring announcements into the 21st century, by allowing grads to send personalized videos with their announcements – an industry first. Scan the QR code above with your phone to see how it works.

Announcements are designed exclusively for your school and features details such as the official school seal, etching and ceremony details. Every announcement is different – the same way every school is different.
