

At Batteries Plus, we know how important it is to keep your school and support facilities powered up and well illuminated. We are eager to provide advice and guidance on how to maximize your battery and lighting spend. We ensure all your power needs are met, on time, within budget, and by experts who understand.

Typical applications we support:

- Fleet vehicle batteries
- Fire/security panel batteries
- Cart & scrubber batteries
- Touchless device batteries
- APC units for IT
- Indoor/outdoor lighting
- LED retrofits
