FURNITURE CO.

CONSULTATIVE APPROACH

ENHANCE YOUR OUTDOOR EXPERIENCE

So much goes into the planning of your space. We want to hear about your goals and your challenges. A dedicated representative is with you every step of the way and will speak with you to get a true sense of how we can partner to create an unforgettable experience for your customers. Tell us about your goals and needs; the space and your vision for it. Our design team can solve your challenges with a 3D site plan that you'll love.

3D SITE PLANNING

ENHANCE YOUR SPACE

We want you to share your vision for your ideal space. Our in-house design team can take your existing space and produce a photo-realistic three-dimensional rendering to better visualize your new furniture arrangement.

DINING

2'-5"

1'-3"

WISCONSIN
UNIVERSITY OF WISCONSIN-MADISON

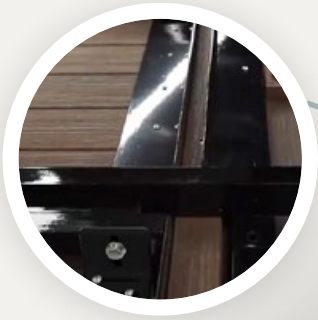

UNION SOUTH

We worked with UW-Madison to help them address space on their campus that lacked adequate seating and was not comfortable for longer events. Our design team put together a site plan that improved on the existing layout and transformed it into an inviting gathering space.

HIDDEN HARDWARE
316 Marine Grade. Hidden fasteners are used to create a clean, modern aesthetic your outdoor spaces deserve.

ALUMINUM FRAME
Powder-coated aluminum frames blend seamlessly into the design and construction of our tables and chairs, while providing added support.

COMMERCIAL GRADE QUALITY

There's no other comparison—the all-weather recycled plastic lumber is solid and has some mass to it. In addition to the aluminum supports and marine-grade 316 stainless hardware, our furniture is both aesthetically pleasing, structurally sound, and won't slide.

MORTISE & TENON
Superior strength and durability.

95% PURE GRADE HDPE
Sister Bay uses only the finest grade recycled plastic to ensure a 100% solid material when machining and crafting for a continuous smooth appearance.

THICKER PROFILES
Designed for durability and structural integrity.

LOW MAINTENANCE
Wipes down easily without absorbing stains or moisture.

ALL-SEASON
Leave outdoors all year in any climate.

FADE RESISTANCE
UV-inhibitors keep colors vibrant for several years

SUSTAINABLE
Made from 95% pure-grade recycled plastic milk jugs

MATERIAL & COLOR

CRAFTED TO RENEW YOUR SPIRITS AND RESPECT THE PLANET

There's nothing more classic than the look of precious woods. Sister Bay brings you this timeless sophistication in a remarkably sustainable way. Instead of harvesting woods – like red cedar, pine, driftwood, birchwood and mahogany – we recreate their luxurious spirit with recycled dairy and detergent bottles. The result is superior quality poly lumber that doesn't wind up in our nation's overcrowded landfills.

Manufactured here in the United States, this low-maintenance wonder is transformed into beautiful, durable all-weather furniture that won't splinter, fade, chip or rust. We'll help to beautify your daily life while helping to preserve our environment for decades to come.

ENDLESS POSSIBILITIES

Two-tone is a design aesthetic that can enhance a space by offering a varied, yet nuanced and collected look. This strategy can also give the different furniture pieces a more interesting feel, further complemented with cushion swatches to break up the color or create areas of focus.

Simply pair a slat color or texture with a trim color or texture. You can mix and match to your heart's desire, creating a unique mid-century modern design or just a fun outdoor pool area with brightly-colored pieces.

NEW PRODUCTS

ALL-NEW

SUMMIT LOW BACK LOVESEAT

PITCH AND DEPTH DESIGNED FOR RELAXATION

The newest loveseat from the Summit Collection demonstrates a unique vertical slat back rest and contoured seat, angled perfectly so that guests can ergonomically tilt back peacefully.

ALL-NEW

SUMMIT LOW BACK CHAT CHAIR

CLEAN LINES

A great low-back option – anything too high will restrict the guests' view. A great option for all commercial settings that don't want traditional Adirondack-style chairs.

ALL-NEW

MAYWOOD BENCH

ARCHED AESTHETIC

Features horizontal seat and back rest slats with hidden fasteners. Available in 60-inch and 72-inch models.

ALL-NEW

MILANO BENCH

TIMELESS DESIGN

Features hidden fasteners. Available in 60-inch and 72-inch models.

UNPARALLELED CONSTRUCTION

MORTISE & TENON CONSTRUCTION

Superior strength and durability.

THICKER PROFILES

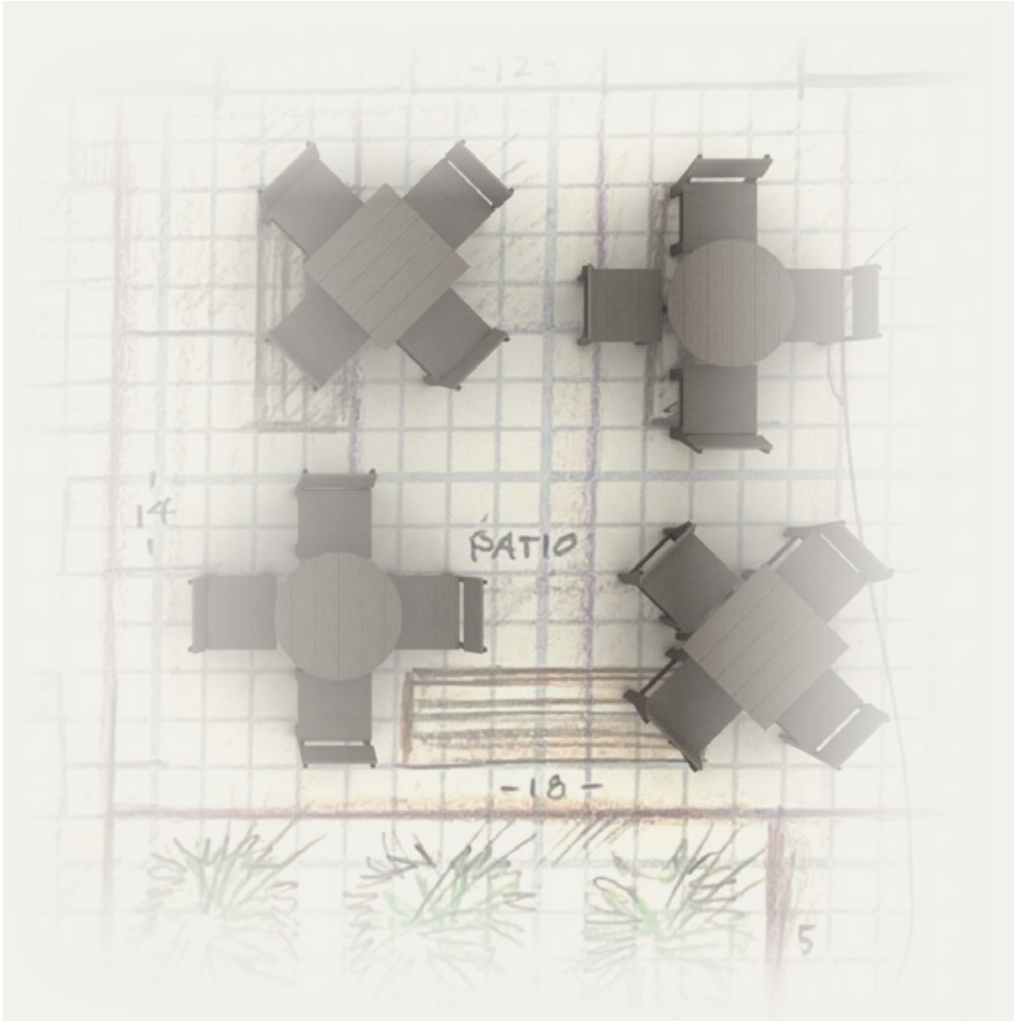

Reduced flexing or bowing for commercial grade use.

NO VISIBLE FASTENERS

The aesthetic quality your property deserves.

DINING

DESIGNER DINING SETS

Invest in durable outdoor furniture that will provide a lasting impression on your patrons and guests with our top-quality tables and chairs. Our versatile options include round, square, and rectangular tables, perfectly designed to accommodate any event.

CASE STUDY

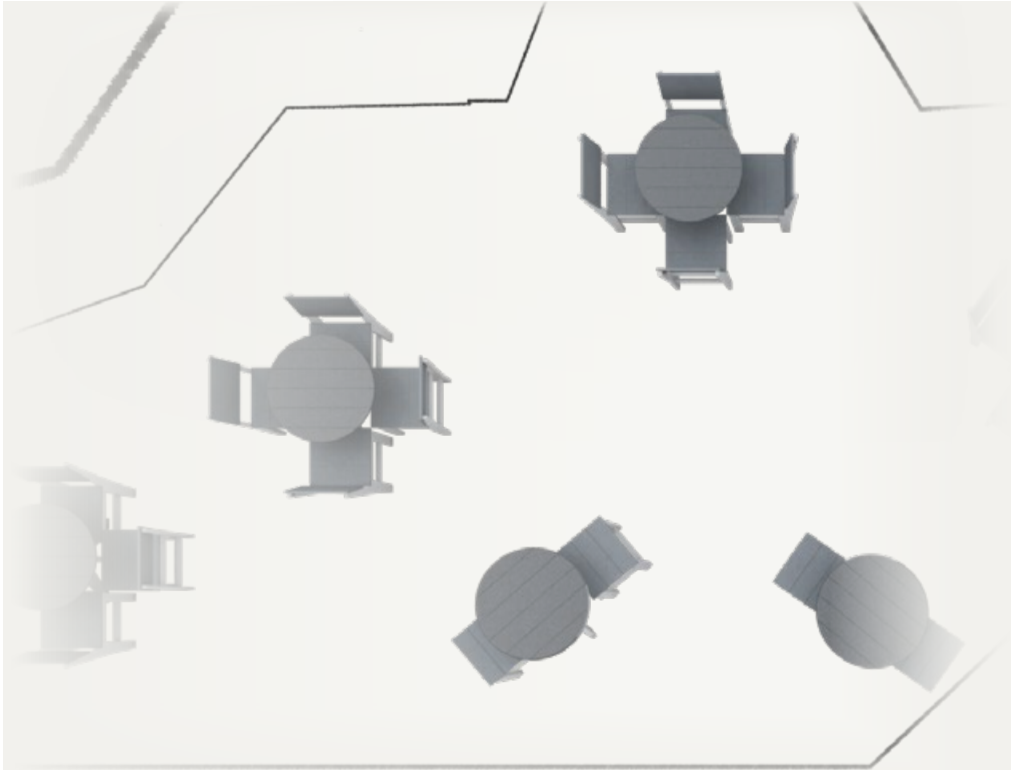

CARLETON COLLEGE

Our design team crafted 3D renderings with all of the desired customization as well as a rough site plan to utilize the space more efficiently. Once the configurations, graphics, and colors were approved by Carleton, our engineering team drafted a functioning proof for final sign-off. After receiving white glove service on all furniture, all patio areas were properly filled while maintaining distance and reducing the clutter of the previous furniture.

BISTRO

UNFORGETTABLE BISTRO SPACES

Transform your outdoor space into a thriving hub for socializing and dining with our extended height counter and bar-height tables and chairs. Perfect for creating a pub or bistro vibe, these furnishings are designed to deliver years of enjoyment and profit for your business, making them ideal for small group gatherings.

WRIGLEY FIELD

The upgraded Left Field Porch now provides the ultimate fan experience. Made from our signature recycled plastic lumber, the furniture is designed for year-round use, standing up to even the worst Midwest rain storm. No matter how wild a game may get, clean up is easy. Spilled beer and nachos are quickly eliminated with warm water and mild soap.

LOUNGE / SEATING

LOUNGE IN COMFORT

Create a comfortable and inviting destination for your patrons with our modular deep seating lounge chairs, loveseats, and sofas. Our cushions and throw pillows are fade-resistant and virtually waterproof.

ALL-NEW Summit Low Back Loveseat & Chat Chairs

Designed For Comfort Without Restricted Views

Two newest additions to the Summit Collection are designed with comfort in mind so that your staff does not need to manage soft seating. The low back design prevents views from becoming obstructed by more traditional adirondacks.
