

Executive Summary **Scrubin Uniforms, LLC**

Company Overview

Scrubin Uniforms, LLC, a subsidiary of Standard Textile, is headquartered in Tampa, FL, and has gained a strong reputation for its innovative and digital-centric approach to uniform program management. Our mission revolves around simplifying uniform ordering for businesses of all sizes through efficient and user-friendly solutions.

Addressing Customer Challenges

The complexities, time demands, and expenses associated with uniform management pose significant challenges. Ensuring precise alignment between personnel, uniforms, and roles can be daunting. The unique needs of different departments and employees' roles require tailored solutions. Balancing employee identification with a consistent appearance further complicates matters. Achieving uniform standardization and compliance, especially for a mobile workforce, can seem overwhelming.

Our Innovative Solution

At Scrubin Uniforms, we understand that effective uniform management has far-reaching impacts on employee, customer, and patient experiences. To alleviate these challenges, we offer a digital-first approach. Our proprietary platform empowers clients to establish customized private ordering portals, showcasing exclusively pre-approved items in accordance with specific uniform guidelines. Once the program is set up, we take care of the operational aspects, enabling businesses to focus on their core tasks.

Comprehensive Service Offerings

Our service range includes access to leading brands of scrubs, lab coats, corporate attire, and workwear. Clients benefit from dedicated account managers and a responsive support team. We facilitate sample and sizing programs for added convenience. Our flexible payment options encompass Net30, Credit Cards, Vouchers, Payroll Deduction, and more. Furthermore, we provide in-house embroidery services, including logos, text embroidery, patches, and heat transfers.

Target Market and Clientele

With a network of over 5,000 active portals, we have established collaborations with prominent hospital systems, medical groups, clinics, educational institutions, and veterinary practices across the United States and Canada. Distinguished customers include prestigious institutions such as Johns Hopkins, MedStar Health, Emory Healthcare, Texas Children's, VA Healthcare Facilities, PetVet Care Centers, and Mission Veterinary Partners.
