

i-PRO

The Power of Truth

i-PRO Secure Campus Offers End-to-End Security Solutions For Student, Faculty And Campus Safety

Intelligent Edge AI Cameras

With i-PRO's edge AI analytics engine, one of the major benefits of edge AI is "higher precision real-time".

Intruder & Loitering Detection

i-PRO's AI analytics can detect intrusion into a specific area and issues an alarm.

Cross Line & Direction Detection

i-PRO's AI analytics can also detect movement from a set line or specific direction.

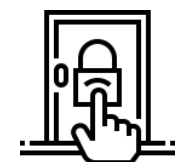

Sound Detection & Alerting

i-PRO's AI analytics can detect sounds like yelling, glass breaking, car horns & gunshots.

Vehicle Detection

i-PRO's AI analytics can identify vehicle attribute making it easier to find.

Integrated Access Control

i-PRO's integrated access control enables door controls and status alerting.
